

2023 Processor Application

The Spokane Farmers' Market Association is an independent and self-managed Washington state nonprofit corporation. It is organized through an agreement among member farmers and vendors. As a farmer oriented and run market, voluntary labor from members to assist in market operations is always appreciated.

A completed and approved application is required prior to selling at the market. We appreciate your interest in participating as a vendor at the market. If there's not enough space, please use additional sheets of paper and be as complete as possible.

Your Name: _____

Farm Name: _____

Mailing Address: _____

Phone(s): _____

Email: _____

Website: _____

Facebook: _____ Instagram: _____

Other Social Media: _____

Would you like to have contact info linked to SFMA website? Yes____ No____
